

# Stocked General-Purpose Compounds

## Need O-rings Tomorrow?

### Parco O-Rings Meet Your Needs

- Huge inventory of six popular compounds
- All 369 standard sizes in stock
- About \$25 minimums
- Exceptional prices

Parco is committed to being the leader in low cost, general-purpose O-rings. In addition to our industry leading low prices, we've significantly increased our inventory and cut our minimums by up to 50 percent.

Make Parco your first choice for O-rings made from the following materials:

- 70-durometer or 90-durometer nitrile
- 75-durometer black or brown fluorocarbon
- 70-durometer silicone.

Parco is stocking all 369 standard sizes of those materials. So when you need low cost, general-

purpose O-rings, you no longer have to check multiple sources for available inventory and competitive prices.

### Rely on Parco

Parco is a leading manufacturer of high-performance seals. Founded in 1941, Parco was the first manufacturer to specialize in O-rings. Our modern 154,000 square-foot facility is one of the largest plants in the world making molded rubber seals.

For nearly 20 years, Parco's low cost, general-purpose O-rings have been used in a wide variety of applications with great results. We provide traceability for batch numbers and cure dates with every shipment.

For more information on Parco's O-rings, or to obtain samples, please contact a Parco customer service representative.

### Stocked General-Purpose Compounds

Elastomer	Compound	Description
Nitrile	4900-70	70-durometer nitrile; low cost.
Nitrile	4900-90	90-durometer nitrile; low cost.
Fluorocarbon	9266-75	75-durometer fluorocarbon; low cost; meets AMS 7276.
Fluorocarbon	9500-75	75-durometer fluorocarbon; low cost.
Fluorocarbon	9505-75	75-durometer brown fluorocarbon; low cost.
Silicone	1200-70	70-durometer silicone; low cost; FDA-conforming; meets AMS 3304.
